

**PHYS379: 22/23****Theory Group Project Report**

Name: Willow Sparks

Group: Group 3 (Quantum Computing B)

Plagiarism Statement

THIS SHEET MUST BE SUBMITTED - please insert your name & group at the top of this page.

One copy of this coversheet, your peer assessment form and your individual log should be submitted using the links on the PHYS379 Moodle page, not later than **15:00 Friday 24 March 2023**.

Work handed in after the above time and before **15:00 Monday 27 March 2023** will be subject to a full grade reduction. Work handed in later than this will not count towards your continuous assessment.

In addition, **one member only** from the group must upload a pdf copy of the Report to PHYS379 on Moodle. Reports written in LaTeX should be submitted as .pdf, once only as a single file to this site for the purposes of plagiarism detection.

I declare that the logbook, peer assessment and my contributions to the group report are my own work. I have not submitted them in substantially the same form towards the award of a degree or other qualification. They have not been written or composed by any other person than myself and all sources have been appropriately referenced or acknowledged.

Signature:

Failure to submit substantial pieces of coursework without due cause can result in an uncondoned fail mark which will prevent the award of an overall honours degree.
